

# Nebraska Club of the Sun Cities

We are the Nebraska Club of the Sun Cities. Our club is open to all with an interest in Nebraska, and you are welcome to join us.

Some of our members still live in Nebraska, and live primarily in Arizona to stay warm in the winter. Many of our members live in Arizona full time. Fun activities are shared by all. Feel welcome to join with us to meet new friends and enjoy the rich heritage of folks from Nebraska.

The Nebraska Club has weekly breakfasts, monthly dinners, and Husker watch parties. Other activities include attending spring ball games, playing corn hole, and an annual trip in March outside the Sun Cities.

Nebraska Fun
